

Where to book camping on Cape York Peninsula

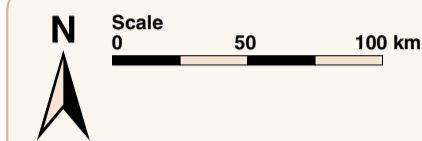

All camping in national park and regional park camping areas must be booked in advance.

Campers must purchase an e-permit before arriving at the camping areas—self-registration is not available and there is generally no phone or internet coverage on site.

To purchase an e-permit, you can:

- book online at www.qld.gov.au/camping
- visit an over-the-counter camping permit booking office (payment by credit card, camping credits and cash) or self-service kiosk (payment by credit card and camping credits only)*
- phone 13 QGOV (13 74 68). Mobile phone charges may apply.

* Refer to the map for over-the-counter camping permit booking office, self-service kiosk and public payphone locations.
